

# discover the infinite potential of my **beeswax layering technique** as an artmaking tool

- intensive and fulfilled workshops
- non-competitive informal studio environment
- suitable for practising artists as well as anyone looking to explore their creative potential
- small groups
- inspiring surprises and ideas to use in your own artmaking

a **therapeutic journey** in creative problem solving via exploration, risk taking and decision making

*"It was more than a workshop. It kick-started a creative approach to my thinking that I believe will help me in my professional work... and many aspects of my life"*  
Daniel, youth worker, Katoomba, NSW

*"As an art teacher myself I highly recommend audrey rhoda's art-in-sight workshops. You'll learn to incorporate beeswax as a medium in your artmaking to create rich and textural effects. Amazing!"*  
Jac, artist / teacher, Kapunda, SA

One-day workshops  
Saturdays or Sundays 10am to 5pm  
**Cost:** \$275 (current August 09)  
Includes ALL materials, lunch and light refreshments throughout the day.
